EXPERIENCE

Head Coach @ Oakville Basketball Club

July 2019 - March 2020

Directed several house league teams, consisting of 10 members each, in weekly games. Implemented development strategies and training methods to improve skills and teamwork qualities of young players.

Food Server @ Miga Korean Restaurant

March 2019 - Present

Coordinated efforts with a diverse front-of-house team to deliver and maintain exemplary customer service.

Responsibilities: Food and beverage service, training new hires, changing grills in a prompt and professional manner, cleaning and preparing the restaurant accordingly for patrons, closing restaurant according to safety procedures.

VBS Team Director @ Milton Missionary Baptist Church

September 2016 - Present

Assumed direct responsibility for a group of 13-16 children, with guardianship duties, and developed a positive environment where kids are encouraged to have fun and learn valuable life lessons.

Chair @ Oakville Youth Action Committee

September 2019 - May 2020

Lead a committee of 15 members to empower the voices and visions of youth across Oakville, by providing opportunities and fostering meaningful participation in focused initiatives such as:

- Cooperating with the town's Culture and Recreation department to develop appropriate drop-in programs, and effective scheduling
- Directing several community mental health initiatives including
- Working alongside Halton Environmental Network to organize film workshops and campaigns to raise collective awareness

PROJECTS

Personal Website

Find out more about my experiences and projects on my personal website @<https://jas6zhang.github.io/>

Tanky Offline

Designed and developed a two-player maze game with detailed movement and projectile controls using Pygame.

Bomb Squad

A spin-off project of the popular 'Minesweeper' game with several difficulty modes and custom graphics.
