EXPERIENCE

Head Coach @ Oakville Basketball Club

September 2019 - March 2020

Directed several teams in their weekly games, and implemented various player development strategies and training methods to improve basketball skill sets of players.

Food Server @ Miga Korean Restaurant

November 2018 - March 2020

Coordinated efforts with a diverse team to reach monthly target sales. Delievered and maintained exemplary customer service.

Responbilities: Food and beverage service, training new hires, changing grills in a prompt and professional manner, cleaning and preparing the restaurant accordingly for patrons.

VBS Team Director @ Milton Missionary Baptist Church

September 2016 - Present

Assumed direct responsibility for a group of 13-16 children, and developed a positive environment where kids are encouraged to have fun and learn valuable life lessons.

Chair @ Oakville Youth Action Committee

September 2019 - May 2020

Lead a group of 15 members to empower the voices and visions of youth across Oakville, by providing opportunities and fostering meaningful participation in youth-focused initiatives.

Cooperated with the Culture and Recreation department to come up with drop-in programs, effective scheduling, student mental health events and many more.

PROJECTS

Tanky Offline

Best Overall Hack of 2018 Ridge Hacks

Designed and developed a two-player maze game in which the users, each controlling a tank, attempt to shoot projectiles at each other.

Bomb Squad

A spin-off project of the popular 'Minesweeper' game programmed with several difficulty modes and custom graphics.
